Re: Recent correspondence to City of Rye regarding Hen Island

Dear Mr. Tartaglione,

The City of Rye (the "City") is in receipt of the following correspondence: 1) one letter dated April 18, 2008; and 2) two letters dated May 13, 2008 (the "Letters") regarding Mr. Ederer's recent activities on Hen Island. The Letters have been forwarded to Corporation Counsel's office because of the pending Article 78 proceeding against the City of Rye Zoning Board of Appeals.

The City Building Department has reviewed your April 18, 2008 letter and is aware of the work that is on-going at Mr. Ederer's property. At this point, the work appears to be in accordance with the direction given by the City's Building Department and the granted permits. With respect to the two May 13, 2008 letters, the City does not have jurisdiction over the complaints raised therein.

Very truly yours,
